AAAA CRIBBINS FUTURES FORUM

NEW FOCUS – NEW FORMAT!

First gathering of the entire Army Aviation Community since “Continuous Transformation” initiative.

BRING YOUR BEST IDEAS AND SHARE YOUR OPINIONS – THE BRANCH LEADERSHIP IS LISTENING!

The entire Army Aviation Branch Leadership (General Officer Steering Committee (AVGOSC) will brief. Afternoon “open microphone” sessions will provide a forum for discussions with attendees and subject matter experts paired to AVGOSC morning briefings; with feedback from each session being briefed to the AVGOSC in open forum on the final morning.

Continuous Transformation topics will include:

- + Accelerated Acquisition
- + Advanced Mission Planning
- + Airspace Management
- + Artificial Intelligence
- + Autonomy
- + Concept Driven Innovation
- + Drones and Manned-Unmanned Mix
- + Contracting Realities
- + Launched Effects
- + Sustainment.

The Forum attracts aviation trainers, operators, logisticians, project managers, capability managers, research and development and key decision makers, including the entire Army Aviation Branch Leadership (AVGOSC). A new format and focus provide a forum for open discussions on the way forward in the Army Constant Transformation initiative.

There will be opportunities for one-on-one briefings with PEO Aviation project managers, Army Transformation & Training Command, Capability Managers (ACMs), OEMs, and other industry leaders in separate, individual meeting rooms onsite.
