Non-Official Contractor Request Form

Deadline: 4/4/25

A non-official contractor, or exhibitor-appointed contractor (EAC), is any company other than the designated official contractors. For Exhibitors intending to use their own labor (for installation and/or dismantle) or contract for such services separately from RPMXPO, please read the following restrictions, requirements and restraints.

The following services cannot be provided by any EAC:

Electrical • Plumbing • Telephone Lines • Drayage • Rigging • Cleaning • Catering

If an exhibitor wishes to use an EAC that requires access to the exhibit hall either before, during or after the show, the following criteria must be met or access will not be granted:

- ♦ Exhibitor must inform RPMXPO that they have contracted with an EAC by completing this form and returning it by the deadline date shown above. If form is not submitted by the deadline date, the EAC will not be allowed to perform work in the hall except to supervise the official contractor-provided labor.
- ♦ The EAC hired by the exhibitor must, by the deadline date show above, provide RPMXPO with a current Certificate of Insurance with minimum limits of \$500,000 property damage per occurrence, \$1,000,000 personal injury per occurrence, workers compensation aggregate coverage of \$1,000,000 per occurrence, and naming RPMXPO as additionally insured for the time period of the show (including move-in and move-out days).
- ♦ The EAC must abide by the rules and regulations of the show and all pertinent union regulations.
- ♦ EAC employees are required to check in at the EAC Check in desk located at the Service Center each day prior to work to obtain the proper wrist band for the day.
- ♦ If the EAC is empowered to incur expense on behalf of the exhibitor, a Third Party Payment Authorization Form must be completed and returned to RPMXPO. The exhibitor agrees that he is ultimately responsible for the cost of all services provided in connection to the exhibitor's booth.
- The EAC agrees to have evidence in the booth that it has a valid authorization from the Exhibitor for services.
- ◆ The EAC must confine its operations to the exhibit area of its client(s). No service desks, storage areas or other work facilities will be located anywhere in the facility. Show aisles and public areas are not part of the Exhibitor's booth space.
- The EAC may not solicit business on the exhibit floor.
- ♦ The EAC must have all business licenses, work permits and insurance required by State and City governments and Facility management before beginning work, and shall provide Show Management with evidence of compliance.
- If required, the EAC must be able to provide evidence that it has current and applicable labor contracts and must comply with all labor agreements and jurisdictions. The EAC must not jeopardize the production of the event by any act or practice that would lead to work stoppages, strikes or labor disputes.
- EAC will not be permitted to load or unload exhibitor display or freight at the loading dock or POV designated areas. This is the sole responsibility of RPMXPO.

PLEASE NOTE: A valid and current copy of Exhibitor's Certificate of Insurance must accompany this document. If such proof is not provided, Exhibitor will not be allowed to use the EAC's services.

Complete this form <u>ONLY</u> if your company is using a Services Contractor other than the official decorator to unpack, erect, assemble, dismantle or pack your display.

Return this form along with Certificate of Insurance, name and address of the employee(s) who are working your booth by April 4, 2025.

LABOR — **IATSE UNION LOCAL 46** The IATSE Union Local 46 has jurisdiction for the operation of all material-handling equipment, all unloading and reloading, and the handling of empty containers. Exhibitors may unload their own vehicles provided they do not use any material handling equipment (fork-lifts, flatbeds, dollies, pallet jacks, etc.) For the efficiency of the trade show as a whole, an area will be set aside for these self-unloading exhibitors.

INSTALLATION & DISMANTLE LABOR — **IATSE UNION LOCAL 46** All hired labor must belong to Local 46. Labor can be ordered in advance by returning the enclosed form, or on show site, at the RPMXPO Service Desk. Three options for installation and dismantle labor exist in Nashville. Labor may be • performed by full-time employees of the exhibiting company; or • hired through RPMXPO Services, the official general service contractor; or • hired through an exhibitor-appointed contractor that complies with the local union jurisdiction.

PLEASE NOTE: • Please do not tip any employee. Do not give coffee breaks, for union employees have a fifteen minute paid break mid-morning and mid-afternoon. Any attempt by an employee to solicit a gratuity for any service should be reported immediately to RPMXPO and/or Exhibit Management. Union employees are paid a good wage scale, and tipping is strongly discouraged and is not an accepted policy of any Official Service Supplier. • If you encounter any difficulty with any laborer, or if you are not satisfied with the work performed, please bring this to the attention of RPMXPO Services. Please refrain from voicing complaints directly to craft personnel. • The person in charge of your exhibit should carefully inspect and sign all work order forms. If there are any questions about any bills, bring the bill to the appropriate Service Desk and discuss it with the person in charge prior to leaving show site.

F.A.Q.

HOW DO I SHIP TO WAREHOUSE? (i.e. advance shipment to warehouse)

- We will accept freight beginning 30 days prior to show move-in.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Material Handling Order Form. Your freight will be accepted after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday 8:00 a.m. to 4:30 p.m. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip showing the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.

HOW DO I SHIP TO SHOW SITE? (i.e. direct to show site)

- Freight will be accepted only during exhibitor move in. Please refer to the Exhibitor Information page for specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip showing the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.
- Be sure to check your service manual if you are targeted for a specific date or time.

WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- We do not accept collect shipments. Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive collect, mark your bill of lading "prepaid."
- "Prepaid" designates that the transportation charges will be paid by the exhibitor or a third party.

HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, booth number and the name of the event.
- The specific shipping address for either the warehouse or show site is located on the Material Handling Order Form page.
 We have also included in your service manual labels for both warehouse and show site shipments for you to copy and attach to cartons as needed.
- Some labels are color coded, so please check the service manual before making copies.
- Try to label every carton that is skidded with at least your name & booth number.

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up "Empty Labels" at the RPM Service Desk. Place a label on each container. Please consolidate containers if possible. Labeled containers will be picked up periodically and stored during the show.
- At the close of the show, the empty containers will be returned to the booths in random order. Depending upon the size of the show, this process may take several hours.

HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show - the time between your departure and the actual pickup of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- For your convenience, ABF Freight will be on site to handle outbound transportation.
- Each shipment must have a completed RPM Bill of Lading form in order to ship materials from the show. All pieces must be labeled individually. (You can pick up a bill of lading from the RPMXPO Service Desk.)
- After materials are packed, labeled, and ready to be shipped, the completed RPM Bill of Lading must be turned in at the RPM Service Desk. DO NOT leave the bill of lading in your booth.
- Provide your designated carrier with pickup information.
 Please refer to the Exhibitor Information page for specific dates and times. In the event your selected carrier fails to show on final move-out day, your shipment will be rerouted through ABF Freight.
- You must notify your carrier of the dates & times of pick-up if you are not using ABF Freight.

DO I NEED INSURANCE?

 Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by adding "riders" to your existing policies.

Shipping Definitions

CRATED - Referred to as "Common Carrier Shipments"

 Crates, fiber cases, cartons, etc. that are not stacked but placed side by side on the trailer.

<u>UNCRATED</u> - Referred to as loose or pad wrapped; i.e., your exhibit material is not protected in a shipping container.

<u>ADDITIONAL HANDLING</u> - Referred to as "Van Line Shipments" or "Special Handilng"

 In this instance, the carrier delivering your exhibit to the show is charging you by space used (per cubic foot) as opposed to charging by weight (per 100 lbs.) Exact measurements of your crates are taken by your carrier for loading and unloading the trailer. Customarily, these carriers charge in such a manner as is advantageous to them to maximize the space inside the trailer. This process may require additional RPM labor to load/unload.

<u>SMALL PACKAGE SERVICE</u> - Referred to as packages, cartons or envelopes.

 Any single shipment that arrives at the warehouse or show site weighing less than 50 lbs. In this category are shipments received from UPS, FedEx, DHL, AirBorne Express, etc.

*Standard Time:

Monday-Friday 8:00 am to 5:00 pm

*Overtime:

 Monday-Friday prior to 8:00 am and after 5:00 pm All day Saturday

*Double Time:

 All day Sunday, holidays and any time a worker works more than ten (10) hours in the same day

Money Saving Tips

Helpful Hint for Small Shipments!

To reduce material handling costs, ship all materials in one shipment, not several shipments.

See example of savings below.

Before the show...

- Shipped as three separate shipments -

RECEIVED:

Total 185 lbs.	Total Cost: \$528.00
72 lbs. charged @ 200 lbs. min x \$	\$88.00/cwt\$176.00
59 lbs. charged @ 200 lbs. min x \$	\$88.00/cwt\$176.00
54 lbs. charged @ 200 lbs. min x \$	588.00/cwt\$176.00

Shipped everything together as a single shipment*

RECEIVED:

3 pieces totaling 185 lbs. @ 200 lbs. min x \$88.00/cwt. \$176.00

TOTAL SAVINGS... \$352.00!

 The Material Handling charge from RPM for handling your freight should not be confused with the cost from your carrier to transport your freight to and from the show.

After the show...

- 1) Obtain an RPM Bill of Lading from the RPM Service Desk.
- Once your freight is packed and ready to ship, complete and return the RPM Bill of Lading form to the Service Desk.
- If not using ABF Freight, you must make and/or confirm arrangements for pick-up with your choice of carriers.
- Be sure your chosen carrier is declared on the RPM Bill of Lading.
- Make sure all crates, packages, etc. are clearly addressed (remove all old address labels).

*Failure to follow these steps could result in freight being re-consigned through ABF Freight and assessed additional shipping charges.

Material Handling Rate Schedule

- RPMXPO has been designated as the official drayage contractor with responsibility for the unloading, delivery, reloading and processing of all exhibitors' freight shipments.
- RPMXPO reserves the right to charge all exhibitors \$45 per trailer/truck that checks in at the Marshalling Yard. To avoid this fee, please ship your booth materials to the advance warehouse.

MATERIAL HANDLING RATES

200 lb. Minimum Charge

The following services, whether used complete or in part, are offered as a package. Rates include: Unloading crated freight (the warehouse cannot receive uncrated shipments); storing at warehouse for up to 30 days (any materials stored beyond 30 days will incur additional costs applied to your invoice); reloading onto trucks and delivery to the exhibit site; unloading freight and delivery to your booth; picking up, storing, and returning empty shipping containers; and reloading freight for return to your specified destination from exhibit site.

	Crated Materials	Uncrated and/or Loose Shipments	Special Handling
	STANDARD RATES	STANDARD RATES	STANDARD RATES
WAREHOUSE ADVANCE RECEIVING	ST Rate: \$ 119.66 / cwt. Receive crated materials only at our warehouse 30 days prior to show.	Shipments of loose or uncrated materials will not be received at the warehouse. They must be shipped directly to the show site.	25% Surcharge See Special Handling Information below.
DIRECT SHIPMENT TO SHOW SITE	ST Rate: \$ 112.31 / cwt. Receive shipments at show site on move-in dates only.	25% Surcharge Receive shipments at show site on move-in dates only.	25% Surcharge See Special Handling Information below.

RATES FOR SHIPMENTS OR EQUIPMENT REQUIRING SPECIAL HANDLING (INCLUDING NON-SKIDDED, UNCRATED AND/OR LOOSE SHIPMENTS) RECEIVED AT THE EXHIBIT SITE will be subject to a 25% surcharge in addition to the above show site rates. This applies to all "van-line" shipments and trucks, due to the height of the truck bed, cannot be unloaded at the docks. If crated materials are combined with uncrated and loose materials in the same shipment, the whole shipment will be charged at the UNCRATED AND LOOSE MATERIAL RATE, PLUS SPECIAL HANDLING RATE IF APPLICABLE.

ALL SHIPMENTS MUST BE SENT PREPAID and all shipments must have a bill-of-lading showing number of pieces, weight, and description of merchandise. Display freight should be on a separate bill-of-lading from machinery freight. Mixed shipments will charged at the Display freight rate. Trucks without a bill-of-lading or documented weight will be directed to a public scale or estimated weights will prevail. Estimated weights will be binding by both parties.

- Rates are based on incoming weight only. All weights are rounded off to the next 100 lbs. (cwt). Each shipment received is considered separately. Freight handling charges are the responsibility of the exhibitor.
- Exhibitors are urged to carry all-risk floater insurance covering their materials against damage, loss, and all other hazards from the time shipment is made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost.
- RPMXPO reserves the right to charge all exhibitors \$45 per trailer/truck that checks in at the Marshalling Yard. To avoid this fee, please ship your booth materials to the advance warehouse.
- Empty container labels will be available at the Service Desk. Affixing the labels is the sole responsibility of the exhibitor or his representative. RPMXPO assumes no responsibility for removal of containers with old or empty labels or for valuables stored inside containers while containers are in storage.
- Outbound shipping labels & RPM bills-of-lading will be available at the Service Desk. Exhibitor or his representative must pack & label
 their exhibit material and turn in an RPM bill-of-lading for each shipment at the Service Desk before leaving the Show. RPMXPO will
 route all shipments unless a designated carrier has been assigned. If the designated carrier fails to pick-up by the removal date of the
 Show, RPMXPO reserves the right to re-route exhibit material by an alternate carrier. As a result of re-routing or handling no liability will
 be assumed by RPMXPO.

In the event of any dispute between EXHIBITOR and RPM relative to any loss or damage claim, the EXHIBITOR shall not be entitled to and shall not withhold payment to RPM as an offset against the amount of the alleged loss or damage. Any claim against RPM shall be considered a separate transaction and shall be resolved on its own merit.
- 9. INBOUND SHIPMENTS. Consistent with trade show industry practices, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of the EXHIBITOR or his representative. During such time the materials will be left unattended. RPM is not, and cannot be, responsible for loss, damage, theft, or disappearances of EXHIBITOR'S material after same have been delivered to the EXHIBITOR'S booth at show site.
- 10. OUTBOUND SHIPMENTS. Consistent with trade show industry practices, there may be a lapse of time between the completion of packing and the actual pick up of EXHIBITOR'S materials from the booth for loading onto a carrier. During such time the materials will be left unattended. RPM shall not be responsible for loss, damage, theft of, or disappearance of EXHIBITOR'S material before same have been picked up for loading after the show. All materials will be checked at the booth at the time of loading using document(s) submitted to RPM by EXHIBITOR. Notations of exceptions to conditions of materials, or piece counts will be made on the form submitted by EX-HIBITOR. RPM assumes no responsibility for loss, damage, theft, or disappearance of EXHIBITOR'S materials after same have been delivered to EXHIBITOR'S appointed carrier, or agent for transportation after the show. RPM loads materials onto the carrier's truck under the supervision of the carrier driver who checks and signs for the materials. RPM assumes no liability for any materials after carrier assumes custody of materials. If EXHIBITOR'S designated carrier fails to show by the move out deadline after a show, RPM shall have the authority to route EXHIBITOR'S shipment via an alternate carrier, or return shipment to a local warehouse for disposition at EXHIBITOR'S expense.
