IASP 2020 World Congress on Pain®

Terms and Conditions

These terms and conditions represent the contractual agreement between the Organizer and the Exhibiting and/or Supporting Company.

EXHIBIT/SUPPORT BOOKING CONTRACT

Exhibit/Support participation at the World Congress on Pain will be considered only if submitted on the appropriate booking and contract form, properly completed. If a conditional pre-booking has been made and contract form signed, the booking becomes valid upon receipt of a confirmation email of the pre-booking. Allocation will be confirmed insofar as space is available. Applicants will be informed in writing of their final allocation(s). Exhibitor/Supporter will be bound by the Terms and Conditions listed in this prospectus. Any additional contract required by a company does not negate these Terms and Conditions.

RULES AND REGULATIONS OF BOOKING CONTRACT

Legal Obligation

Exhibitors: I understand that IASP, relying on my promise to pay for exposition space, will remove the space from the inventory that it has reserved with the Convention Center for use by exhibitors. I also understand that IASP, relying on the promise of exhibitors to pay for space, has agreed to pay the Convention Center for all space reserved for exhibitors, including space that is not used. I further understand that IASP's reliance on my promise to pay creates a legal obligation on my part to pay the agreed-upon amounts, including applicable cancellation fees, as set forth herein.

Supporter: I understand that IASP, relying on my promise to provide support, will go forward and incur significant costs in preparation for the event. I understand that if I do not pay as promised that IASP will still have to pay these costs. I further understand that IASP's reliance on my promise to pay creates a legal obligation on my part to pay IASP the agreed-upon amount, including applicable cancellation fees, as set forth herein.

EXHIBITION REGULATIONS

Exhibition Management, acting under direction of the IASP and the Congress venue regulations, has the final decision as to the acceptability of stands. Exhibitors are not to share with others any space allotted to them without prior written consent by IASP. The Organizer reserves the right to adjust the layout or limit the space allotted to each Exhibitor/Supporter, postpone the exhibition, or transfer it to another site if unforeseen circumstances warrant such action. Should any contingency prevent the holding of the exhibition, the Organizer will not be held liable for expenses incurred, other than the cost of exhibit space rental fees.

LIABILITY INSURANCE

Equipment and all related display materials installed by Exhibitors/Supporters are not insured by the Organizer, and the Organizer under no circumstances is liable for any loss, damage, or destruction caused to equipment, goods, or property belonging to Exhibitor/Supporter. The Exhibitor/Supporter agrees to be responsible for his property and person and for the property and persons of his employees and agents and for any third party who may visit his space through full and comprehensive insurance, and shall hold harmless the Organizer for any and all damage claims arising from theft and those usually covered by a fire and extended-coverage policy.

OBLIGATIONS OF THE EXHIBITOR/SUPPORTER

Booking implies full acceptance by the Exhibitors/Supporter Terms and Conditions. Any infringement of these regulations may lead to immediate withdrawal of the right to participate in the World Congress on Pain without compensation or refund of sums already paid, and without prejudice to the Exhibitor/Supporter. By submitting a booking form to participate, the Exhibitor/Supporter has made a final and irrevocable commitment to occupy the space allocated. The Exhibitor/Supporter may only present their stand or space the materials, products, or services duly represented by the company whose name appears on the booking form. No advertising on behalf of firms not exhibiting is permitted in any form whatsoever. Transfer or subletting of all or part of the allocated spaces is prohibited.

OBLIGATION OF ORGANIZER

The Organizer undertakes to allocate exhibition space/support items on the basis of the company preference. In the case of limited allocation, allocation will be considered in order of receipt of booking form and, if necessary, the date of deposit payment. The Organizer reserves the right, in case of absolute necessity, to modify stands positions, with no obligation to provide compensation to Exhibitor/Supporter. In case of a default in the set-up period of the opening of the event, the Organizer reserves the right to offer to another company or Congress any use, stand, space, or support item that has not been occupied by the event at the opening of the conference, with no obligation to provide compensation to the defaulting Exhibitor/Supporter.

INDEMNIFICATION

To the extent permitted by law, Exhibitor/Supporter agrees to defend, indemnify, and hold harmless the International Association for the Study of Pain, its officers, directors, agents, and employees from and against any and all claims, suits, liens, judgments, damages, losses and expenses, including reasonable legal fees and costs arising in whole or in part and in any manner from acts, omissions, breach, or default of Exhibitor/Supporter in connection with performance of any work by Exhibitor/Supporter, its officers, directors, agents, employees, and subcontractors.
