

EXHIBITOR TERMS, CONDITIONS, RULES & REGULATIONS

I. ELIGIBLE EXHIBITS: Society of Health and Physical Educators (SHAPE America) reserves the right to determine the eligibility of any company or product to exhibit in the exposition and further reserves the right to reject any application and/or limit space assigned to any one company. The acceptance of a booth for the exhibition does not carry SHAPE America's endorsement of the equipment, supply or service. It is understood that the SHAPE America Exhibitor Terms, Conditions, Rules and Regulations (Terms) for exhibitors are part of a contract between the exhibitor and SHAPE America and that submission of the application for exhibit space constitutes the exhibitor's agreement to abide by these Terms. In addition, exhibitors must follow the policies of the Baltimore Convention Center.

II. LIMITATION OF LIABILITY/INDEMNIFICATION: The exhibitor agrees to make no claim for any reason whatsoever against SHAPE America, Hargrove LLC (Hargrove), the Baltimore Convention Center, or the county and/or state wherein the exposition is held for loss, theft, damage, or destruction of goods, any injury to oneself or employees while the exposition is in progress, being set up, or being taken down.

Exhibitor expressly agrees, and hereby does, indemnify, defend and hold harmless SHAPE America, Hargrove, the Baltimore Convention Center and the City of Baltimore, including their agents and representatives, shareholders, officers, directors, employees and contractors, from and against all claims, loss or expense, including reasonable attorney fees and liabilities arising out of, or in any way related to, the acts, omissions or negligence of exhibitor, exhibitor's agents, invitees, employees or representatives.

Exhibitor agrees to keep harmless SHAPE America, Hargrove, the Baltimore Convention Center and the City of Baltimore from any and all costs arising from fees incurred under the copyright law regarding the liabilities of playing recorded and/or live music in the exhibit area at any time during the SHAPE America National Convention & Expo.

It is understood and agreed that full compliance with the insurance requirements stated below does not relieve Exhibitor or its contractor of the indemnification obligations required herein.

In addition, exhibitor acknowledges that the City of Baltimore, the Baltimore Convention Center, and its agents do not maintain insurance covering exhibitor's property, and that it is the sole responsibility of exhibitor to obtain business interruption and property damage insurance covering such losses by exhibitor.

III. LIMITATION OF EXHIBITS: SHAPE America reserves the right to stop or remove from the exposition any exhibitor, or its representative, performing an act or practice which in the sole opinion of SHAPE America is considered detrimental to its business, professional or ethical interests, or which originates from any organization whose displayed products do not meet the professional standards of SHAPE America. SHAPE America may review the exhibit floor activities of exhibitors at any time. SHAPE America may deny an exhibitor access to or expel an exhibitor from the event without refund of any fees if, as determined solely by SHAPE America, such exhibitor has not complied in all material respects with policies, legal requirements, the terms and conditions of the Terms. SHAPE America may also seek other remedies in law or equity and limit

the exhibitor's access to SHAPE America resources. SHAPE America reserves the right to restrict exhibits that are objectionable because of noise, glaring or flashing lights, method of operation, or any other reason, and prohibit or evict any exhibit that, in the opinion of SHAPE America, detracts from the general character of the exhibit hall. All booth activities and content must be professional in nature and provide educational information related to the fields of health and physical education. This reservation includes persons, things, conduct, printed material, or anything SHAPE America judges to be objectionable. In the event of such restriction or eviction, SHAPE America is not liable for any refund to the exhibitor.

Exhibitors are prohibited from promoting any content-based school fundraising programs, with the exception of those are managed by SHAPE America (e.g., health. moves. minds.™).

IV. ASSIGNMENT OF SPACE/RELOCATION OF EXHIBITS: Booth assignments are made on a first-come, first-served basis, taking into consideration the frequency and prior level of participation, the date a request is received, availability of requested area, the amount of space requested, special needs and compatibility of adjacent exhibitors.

SHAPE America retains the exclusive right to revise the exhibit hall floor plan(s) and/or relocate any assigned exhibitors as necessary for the betterment of the National Convention & Expo as determined solely by SHAPE America. Exhibitors who change the size of their exhibit space are not guaranteed the originally assigned location and may be subject to relocation. Due to the large number of participating companies, SHAPE America cannot guarantee that a company will not be relocated near a competitor. SHAPE America shall notify affected exhibitors in advance of installation.

V. PRIORITY POINT SYSTEM: The priority point system is designed to recognize companies that support SHAPE America and its activities, and to encourage new companies to participate. Priority points are used to determine exhibit hall placement in the following year.

VI. SUBLEASING OF EXHIBIT SPACE/BOOTH SHARING: An exhibitor may not sublet, share, or apportion its contracted exhibit space to another organization or business unless prior written consent has been obtained by SHAPE America. An exception may be granted only on the condition that the number of 10' x 10' booth units is equal to or greater than the number of organizations sharing the exhibit space. An exception shall be considered when a corporate affiliation exists (meaning that the organizations share a parent company) or for a government sponsored pavilion (must be a minimum of 400 square feet). Each organization occupying the space will be required to submit a signed exhibit space contract. Only those companies and organizations that are authorized occupants of an exhibit space will be entitled to exhibitor badges and/or a listing in the exhibitor directory published on the convention website, mobile app, and other related materials.
